Palm Beach County Supervisor of Elections Office to Demonstrate New Voting Equipment for the 2020 Election Cycle

PALM BEACH COUNTY, FL – Anticipating a historic turnout for countywide elections in 2020, the Palm Beach County Supervisor of Elections office will provide demonstrations of the new voting equipment to be used for the 2020 Election Cycle. In support of the Supervisor of Elections' efforts, the City of Riviera Beach will host a demonstration on **September 24, 2019, at Riviera Beach City Council Chambers, 600 W. Blue Heron Blvd., Riviera Beach, FL 33404.**

“We offer Voter Education & Outreach Sessions for residents of Palm Beach County to have the opportunity to stay informed. As the 2020 Elections approach, it is important for voters to learn the electoral process, our new voting equipment, and how to mark their ballot by filling in the oval on the paper ballot next to their right of choice,” said Palm Beach County Supervisor of Elections, Wendy Sartory Link.

The Voter Education & Outreach Session will cover a demonstration of the new equipment, practice marking the ballot, and an opportunity to ask questions.
